

# NEW LIPA Energy Efficiency Program

## RECAP

Retrofit Energy & Capacity Program

- ▶ Up to 30% return on investment
- ▶ Resulting in paybacks as short as 2 years
- ▶ All documentation assistance provided

Another Energy Efficiency Program brought to you by LIPA, your Clean Energy Initiative Provider

[www.lipower.org](http://www.lipower.org)

## EXAMPLE PROJECT

A "lighting only" project with LIPA RECAP program

### Project Parameters\*

- ▶ 3,110 office building lighting hours per year
- ▶ 1,355,960 kWh saved
- ▶ 500 kW reduced
- ▶ 436 total kW after coincidence factor

$$436 \text{ kW} \times \$200 = \$87,200$$

+

$$1,355,960 \text{ kWh} \times \$0.035 = \$47,458$$

**30% PAYDOWN**  
ON MOST PROJECTS

$$\text{LIPA INCENTIVE} = \$134,658$$

\*Numbers and coincidence factors used in this example are taken from the LIPA RECAP manual
